8.0 PUBLIC AND SEMI PUBLIC FACILITIES

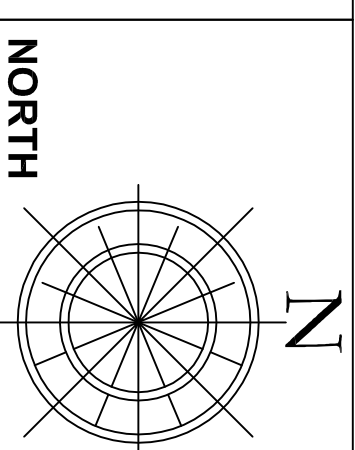

-
- The map displays the layout of the sports facility complex. At the top, a legend identifies symbols for the stadium, zonal boundaries, and various buildings. The stadium is represented by a green circle with a white 'S'. Zonal boundaries are shown as dashed lines. Buildings are represented by colored rectangles: blue for the hospital, vocational training centre, technical education college, crematorium ground, burial ground, cemetery, head post office & administration office, fire station, transmission site, and centre; red for the cultural complex; and yellow for the telephone exchange. The buildings are arranged in a grid-like pattern, with the stadium located at the bottom right. The map also shows the zonal boundaries and the location of the sports facility complex relative to the stadium.
- LEGEND**
- STADIUM
 - ZONAL BOUNDARY
